

I went to the Lord' Clinic
to have my routine
check-up and I confirmed
I was ill:

When Jesus took my blood pressure, He saw
I was low in tenderness.

When he read my temperature, the thermometer registered 40° of anxiety

He ran an electrocardiogram and found that I needed several “love bypasses” since my arteries were blocked with loneliness and could not provide for an empty heart.

I went to orthopedics, because I could not walk by my brother's side and I could not hug my friends, since I had fractured myself when tripping with envy.

He also found I was shortsighted, since I could not see beyond the shortcomings of my brothers and sisters.

When I complained about deafness, the diagnostic was that I had stopped listening to Jesus' voice talking to me on a daily basis.

A photograph of a dense forest with tall trees and a path leading through them. Sunlight filters through the leaves, creating a dappled light effect on the ground. The overall color palette is dominated by various shades of green.

For all of that, Jesus gave me a free consultation thanks to his mercifulness, so my pledge is to, once I leave this clinic, only take the natural remedies he prescribed through his words of truth:

Every morning,
take a full glass of gratitude

A serene winter landscape featuring a calm river that perfectly reflects the surrounding snow-covered trees and a pale, overcast sky. The scene is peaceful and quiet, with the water acting as a mirror for the white, frosty world above. The trees are heavily laden with snow, creating a soft, ethereal atmosphere. The overall color palette is dominated by cool blues, greys, and whites, contributing to a sense of tranquility and stillness.

When getting to work,
take one spoon of peace

A silhouette of a dragonfly is perched on the tip of a person's nose. The background is a warm, glowing sunset or sunrise, with a large, bright sun partially obscured by the person's profile. The dragonfly's wings are detailed and translucent, and its long tail extends downwards. The overall mood is contemplative and serene.

Every hour,
take one pill of patience, one cup of
brotherhood and one glass of humility

When getting home,
take one dose of love

When getting to bed,
Take two caplets of clear conscience

Do not give in into sadness or desperation
for what you are going through today.

God knows how you feel.....

God knows exactly and with perfection
what is being allowed to happen to you in
your life at this precise moment.

God's purpose for you is simply perfect.

He wants to show you things that only you can understand by living what you are living, and by being in the place you are now.

May God give you...
For every storm, a rainbow,
For every tear, a smile,
For every care, a promise,
And a blessing in each trial.
For every problem life sends,
A faithful friend to share,
For every sigh, a sweet song,
And an answer for each prayer.
